■ Recovery of the athletic gesture (Bologna Calcio)

EDUCATION AND TRAINING

- 2014-2015 **Post graduate in Pediatric Osteopathy**
SOMA Osteopathic School (Milan)
- 2006 **Diploma in Visceral/Neural/Vascular Manipulation/New Articular Approach**
Barral Institute West Palm Beach (USA)
■ Barral Institute Diplomate BI-D
- 2002 **Certificate in Visceral Manipulation and Craniosacral Therapy**
Upledger Institute International Inc. (USA)
- 2002 **Diploma in Massophysiotherapy 3-year course**
E. Fermi Institute in Perugia
- 1999 **Diploma in Osteopathy**
Osteopathic Research Institute Lyon (Francia)
- 1997 **Start of the path in Visceral Manipulation, Craniosacral Therapy, Neuromeningeal Manipulation**
Barral Institute/ Upledger Institute International Inc.
- 1991 **Bachelor's Degree in Physical Education**
Istituto superiore di educazione fisica (ISEF), Firenze

ADDITIONAL INFORMATION

Presentations, Projects,
Conferences, Seminars

OVERALL TEACHING AND COLLABORATIONS EXPERIENCE

Over 400 classes for a total of 10.000 teaching hours in 6 Continents and 18 Countries.

Collaborates with the following Osteopathic Schools:

AbeOS Bologna, FULCRO Monastier, ICOMM Roma, ICOM Cinisello Balsamo, SIOTEMA Torino, SOMA Milano

2013

Barral Institute Hong Kong Symposium "Visceral Manipulation and Neurovascular relationship"

2012

Barral Institute Hong Kong Symposium "Treatment Session in Visceral Manipulation"

2011

Western Counties Society of Osteopaths (WCSO) Annual Convention

"Pain management and the nervous system explored"

11-12 June 2011, Devon

Theory behind neural manipulation with particular reference to the 'Phrenic Nerve & referred pain via the Brachial Plexus'.

Practical methods of finding the primary lesion that causes postural adaptation and how to put that system into equilibrium using neuro/visceral manipulation..
